

WHAT IS CPSE?

The Committee on Preschool Special Education (CPSE) offers specialized educational services for children ages 3 to 5 with disabilities or developmental delays. CPSE identifies and addresses each child's unique needs through comprehensive evaluations and individualized educational plans (IEPs) that promote learning and development.

By working closely with families, educators, and community resources, CPSE ensures children receive the support needed to thrive in their early educational experiences.

Happy Dragon School has proudly served the Queens and Brooklyn communities for **30 years**, offering high-quality childcare services for **children aged 2 to 5**. We provide a nurturing environment that promotes early learning and development.

In addition to our childcare services, we offer both an **Early Intervention Program (EIP)** and support through the **Committee on Preschool Special Education (CPSE)** in all five boroughs. With decades of experience in intervention services, we are committed to helping every child thrive and reach their full potential.

DEVELOPMENTAL MILESTONES

Developmental milestones are key skills or behaviors that children typically achieve by specific ages as they grow. These milestones, which encompass physical, cognitive, social, and emotional development, help track a child's progress.

3 YEARS OLD

- Puts on some clothes by himself/herself, like loose pants or a jacket
- Notices other children and joins them to play
- Asks "who," "what," "where," or "why" questions, like "Where is mommy/daddy?"

4 YEARS OLD

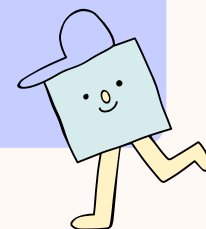

- Comforts others who are hurt or sad, like hugging a crying friend
- Talks about at least one thing that happened during her day, like "I played soccer."
- Draws a person with three or more body parts

5 YEARS OLD

- Follows rules or takes turns when playing games with other children
- Answers simple questions about a book or story after you read or tell it to him
- Uses words about time, like "yesterday," "tomorrow," "morning," or "night"

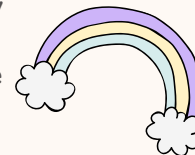

EVALUATIONS WE OFFER:

- Psychological & psychoeducational
- Social history
- Speech & language
- Occupational & physical therapy
- Natural setting observations

EVALUATIONS MAY ADDRESS GENERAL DEVELOPMENTAL CONCERNS OR MAY TARGET SPECIFIC ISSUES INCLUDING:

- Assistive Technology
- Behavior
- Expressive Language
- Feeding/Eating
- Motor Skills
- Receptive Language
- Sensory Integration
- Thinking/Cognitive Skills
